

## List of Programme Management Group Members

The Programme Management Group (PMG) is the decision making body and managing group for the Making it Local Action Group. It is made up of people with a range of local skills, knowledge and interest needed to make the Programme work. The PMG will oversee the implementation of the programme including the final decision making on grant applications and delivery of outputs in line with the annual Delivery Plan and the overall Development Strategy. There is a mix of voting and non-voting members.
