Sunday rides start from Cirencester Parish Church, The Market Place. The summer ride, depending on weather and road conditions, is 2 hours to brunch. A faster riding group will set out 60mins after the 'social' group to the same brunch spot. The decision to ride onwards to lunch will be made by consensus on the day.

Tuesdays: cycle direct to brunch spot.

Runs leaders, please send a report of the run to Paul Burnip: burnipfamily@aol.com.
