

Allergy Training-2hr

Rapido Training

Location: This training is available at a variety of locations throughout Gloucestershire, including our fully equipped training room in Quedgeley.

Training may also be delivered within your workplace if the numbers and location are appropriate.

The course is available in the morning, afternoon, evenings and at the weekends.

Courses are run throughout the year. To apply or for further details please contact us at:

Rapido Training

16 The Glenmore Centre
Marconi Drive
Waterwells Business Centre
Quedgeley
Gloucester GL2 2AP

Tel/Fax: **01452-886625**

Email: **info@rapidotraining.co.uk**

Course aim: This Allergy Training course is designed to provide individuals with the basic awareness, skills and confidence to identify, treat and respond to a variety of common allergies and possible reactions.

Meant for: This course is suitable and recommended for everyone. It is considered good practice for all staff working in the child care setting pre-school and school, and any member of care staff working in a residential setting to undertake this qualification.

Course content: What is allergic reaction
What is anaphylaxis
How to recognise a reaction
When to call an ambulance
How to treat a reaction
Use of Epi pen and Ana pen.
Resuscitation up-date of child and baby
Looking at policies

Delivery: This is an interactive course designed to blend practical activities with background knowledge, ensuring that individuals are adequately trained in an informative yet enjoyable environment.

Cost: Negotiable upon enquiry, In-house training can be offered.
