

NEWTON ABBOT COMMUNITY INTEREST COMPANY

Who we are:

Newton Abbot Community Interest Company (NACIC) was formed in October 2008 following completion of the Newton Abbot & District Community Plan.

NACIC is registered as a Community Interest Company. Like any other Company, this means that it has a Board of Directors representing its interests. The Directors receive no salary for their involvement, and any profits the company makes are reinvested in the local community.

NACIC has eight Directors who are all local residents, and represent a variety of interests.

NACIC has four key roles:

- To work with others to develop and deliver projects that improve the quality of life and access to services for those living and working in the Newton Abbot area;
- To work with partners to take-forward projects outlined in the Community Plan;
- To support community initiatives and help establish groups to implement those initiatives;
- To lobby for change and improvements around the town, and gather the views of the public.

NACIC works with a wide range of other organisations around the town, including Teignbridge District Council, Newton Abbot Town Council, Teignbridge Community & Voluntary Services, Transition Newton Abbot and the Town Centre Partnership.

If you would like to find out more, contact Emily Farrell, the NACIC Manager via manager@newtonabbotcic.org.uk or leave a message on **(01626) 215917**.

You can also visit our website at www.newtonabbotcic.org.uk.

Our current priorities include:

- Taking forward the Golden Lion Square Project. We are currently working with the Newton Abbot Community Trust to use the results of the recent consultation to develop detailed designs for the Square;
- Working with voluntary services on a Community Hub Project which will hopefully provide a new one-stop shop for voluntary organisations in the town centre;
- Re-establishing a Community Forum within the town to allow local residents, businesses and agencies to debate current issues relevant to the future of the town;
- Working with Newton Abbot Town Council on current issues and projects around the town.

What we can offer you:

If you are a resident:

- NACIC would welcome your involvement as a member of the CIC;
- You can give your views on or help to develop projects we are involved with;
- We are particularly keen to find people who have time to spare and can get involved with the promotion and marketing of the CIC using the internet.

If you represent a community or voluntary group in the Newton Abbot area:

- NACIC would like you to join our Community Forum, held every 6 months
- Give your views on current issues and projects

If you are a business or public body representative we can offer you commercial services such as:

- Project management services on a range of project disciplines;
- An independent and unbiased public consultation service, including analysis of the results;
- An opportunity to connect with the local community in Newton Abbot, using NACIC as a facilitation service.
