VTTA West Group Newsletter November 2017

Dates for 2018

Our 10 mile Championship for The Harry Marsh Memorial Cup and prize presentation is planned for Friday May 11th. HQ will be Goss Croft Hall with the course being the UC861. Further details in the next Journal

Group 25 mile Championship for The Jack Gray Cup will be incorporated within the Bath CC event on 16th September on the U370. Note the slightly later date to avoid the traffic at the Frome 'Cheese' show!

For the 50 mile Championship, The Wilcockson Cup, it was agreed at the AGM to allow any 50 mile TT event on courses prefixed with U or S. This will allow the use of courses in the South West DC and opens the opportunities to compete. Within West DC (U courses) for 2018 there are two 50 mile TT both on the same course – U86/50, so this led to widening the choice. It does mean we will not have our own event or have the Championship incorporated in to a West DC event but does offer more choice.

Also at the AGM it was agreed to increase the fees for standard attempts, this is to cover the increased costs for medals and engraving –

For a single Standard attempt - £3.00

For all Standard attempts at 1 distance - £6.00

For all Standard attempts at all distances - £15.00

The new VTTA website has been launched and there is a good explanation of Standards along with plenty of other information, it is planned to add to our groups page on the website shortly.

We now have a Facebook page - @westgroupvttta. I will hopefully start adding information and photos over the coming weeks and sort out the admin side.

To those of you renewing your membership you can pay via BACS if you so wish, fees remain the same – Single £20.00; Married couple £20.00; Life and Honorary Life £11.00: Details are –
