

## West Vet Competition Results – part 2 from recorder Rob Hutchinson.

The results published in the autumn 2017 West Vet need updating to include the results of a few races that took place during late October and to correct some omissions and mistakes.

### Group BAR

Having previously thought there were no qualifiers I'm pleased to report that Mick Fountain rode all four distances ( 25, 50, 100 & 12hr ) and so he is the Group BAR champion.

### Short Distance Competition ( Some mistakes to correct )

Steve Cottington's 'total' is +68:26 ( not 68:22 ) Steve remains in 5<sup>th</sup> place

Dave Driver's 'total' is +65:40 ( not 56:43 ) this moves Dave up to 6<sup>th</sup>

John Thompson's 'total' is +11:59 ( not 18:06 ) this moves John into 41<sup>st</sup>

Peter Rogers' 'total' is -8:03 ( not +2:33 ) Peter is now 44<sup>th</sup>.

And two omissions:

Clive Franklin qualified with a 'total' of +55:24 that puts him in 16<sup>th</sup> place.

Bob Symons has a 'total' of -3:02 placing him in 43<sup>rd</sup>

### Improvement Competition

The knock on effect of these alterations are:

Dave Driver's 'improvement' is 3:24 giving him 9<sup>th</sup> place.

Clive Franklin's 'improvement' is -3:02 and 21<sup>st</sup>

### 85 Competition

Dave Driver's 'total +' is 35:39 and this gives him 23<sup>rd</sup> place.

Mick Fountain's 'total +' is -40:01 and 30<sup>th</sup>

This gives Mick and 'improvement' compared to 2016 of -14:14.

### Best 100 in the 2017 Season

Bob Symons' rode 6:32:21 that gives -80:21 on standard and 9<sup>th</sup> place

### Standard Medals

In addition to previously published these members have also won medals.

David Braidley ( 25 ), Mick Fountain ( 10 and 50 ), Ray Perkins ( 10 and 25 ),

Ray Retter ( 15 ), Bob Symons ( 10, 25, 100, 12hr & 24hr ), Cliff Voller ( 30 ).

### West Group Records

The list of new records in the autumn edition gave Mark Sanders' age as 51 years when he is in fact 58 years – sorry Mark.

The VTTA East Anglia 30 mile event on course E2/30 on 7<sup>th</sup> Oct 2017 saw 3 new group records set :- Rob Pears age 54, 1:00:12

Chris Scawn age 66, 1:05:21

Ray Retter age 71, 1:10:08

And a record I missed was in the Cardiff 100 miles RCC 50 mile event on course R50/1b on 30<sup>th</sup> July 2017 - Peter Wilson, age 83, 2:35:53.

Now that 15 m is a recognised VTTA event I've included West Group records for this distance based on the best results I could find for the last two years. If you have gone faster then please let me know.
