

The WiserHealth Well Being Scheme

How does it work?

- We ask you to promote our complementary health service to your visitors
- We will come out to treat each visitor in their room or other suitable space
- For each treatment booked, we will credit your Well Being Scheme account with reward points

How does the points system work?

- For each single treatment booked, you are credited 3 points
- For block bookings, you are credited points as follows:

Number of People in Booking	Number of Points
1	3
2	10
3	15
4	20
5	25
Add 5 points for each additional treatment	

What is my reward?

When you have earned 30 points, you can claim a free one-hour treatment of your choice for yourself or any of your staff

How can I find out more?

Contact Janet Wise or Robert de Jong
