

Go Ultra Low West – Vehicle Chargepoints

50% Grants

Grants cover 50% of all external costs - hardware, software, installation, groundworks, 3 years management/maintenance (excl. VAT).

Standard, Fast or Rapid **all eligible**.

Fast (1-4 hour) most common for workplaces and fleet. Typical total cost 1 post (2 chargers) £1,000 - £5,000 depending on groundworks. **With grant, typical costs to business of only £500 - £2,500** per post.
