

HOW MUCH DO CAR PARKS really COST?

The full cost of a car park is hidden
in a range of other business costs. Every
space costs (and therefore can save) your
business money.

£812
per space, per year
Average running costs across North Bristol

+ Indirect costs + **Original one-off cost**
per space, per year

Congestion
£1,068

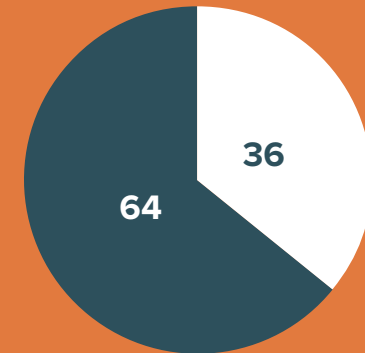

Opportunity Cost
£245

Construc-
£3,975
